

## Making an origami cross

- 1 Cut a long thin trip of paper
- 2 Fold 3rd way down 45 degree angle
- 3 Fold over behind

- 4 Fold in front
- 5 Fold side back over in front - leaving cross bar length
- 6 Fold other side to match
- 7 Tuck end in

- 8 Fold down whole top bit over towards bottom
- 9 Thread Bottom strip through loop, pull all way upwards
- 10 Then thread strip down through same loop, leaving appropriate length for top of cross
- 11 From bottom fold over into loop to make the bottom segment of cross
- 12 Press all folds and decide where to display your cross to remind you of Jesus.

If you need to **see** it done,
